ORDER

This matter is before the Court on Defendant's Motion to Strike (#41), filed on October 27, 2015.

Defendant moves to strike its Motion for Sanctions (#36). Defendant originally filed a Motion to Seal the Motion for Sanctions, which was denied without prejudice. *See* Order (#38). Defendant was given two weeks to offer further reasons to seal the Motion for Sanctions. Instead, Defendant chose to submit an amended motion with the confidential information redacted. *See* Amended Motion (#40). Defendant now seeks to strike the initial Motion for Sanctions (#36) to prevent the disclosure of confidential information. Defendant has sufficiently established good cause for striking the prior motion. Accordingly,

IT IS HEREBY ORDERED that Defendant's Motion to Strike (#41) is **granted**. Defendant's Motion for Sanctions (#36) is hereby **stricken**.
